Dan'l Boone Club Members,

Hope you all had a great Christmas and a Happy New Year with family and friends! It seems like forever since our Christmas Party and The Chop House. I had a wonderful time and hopefully you all that were able to attend enjoyed the evening as well. Frankie took plenty of photos and I am sure she will have them added to the newsletter for your enjoyment.

We will kick off the new year with our January Club meeting on Tuesday, January 21st at 6pm at Zachary's Steakhouse in Colonial Heights. We will have several things to discuss regarding our plans for 2025 and I hope you all can join us to make these plans. Included in these discussions will be our theme or Marque for the Allendale Show.

The last time we talked about this we were leaning toward “European Cars” for 2025. I would like to see us finalize our plans for the Marque early so we can begin contacting local and regional clubs to participate with us. We will also be discussing our other activities and a calendar of events for them. I would like to see us include some Saturday cruises including lunch for the months we do not have any shows planned. Several members have commented that they like daytime events as nighttime driving is increasingly challenging. Please bring your ideas about what you might like to do for some of these monthly outings.
