February 2017

VOLUME XXXIX

No. 02

The President's Message

Don Wood-President

It is good to be able to send out a message again, I have been “under the weather” and am just now able to give a little thought to what I want to say.

Most of you that I have spoken with had positive comments about our meeting at Rush Street, we will discuss this further at **our next meeting February 20, 2017 at 7:00 p.m. at ETSU. A decision will be made on the site for future meetings.**

I have gotten to the place where I can plan a few trips related to the club. I will be attending the eighty-first AACA Annual Meeting in Philadelphia, Pennsylvania, February 9-11. This excites me to be representing our club. I will hopefully be able to speak about this at our next meeting.

The Packard Annual Meet in Los Angeles February 17, 18 & 19 is also on my agenda and it also will be before our next meeting.

Maybe you have already read the reviews of the Auctions in Scottsdale this year, 2017 had the second largest week in history. That really set the bar for this year.

Don't forget to send your dues to national address and your local dues to Treasurer

Wayne Lambert
1209 Radcliffe Ave.
Kingsport, TN 37664

Hope to see you Feb. 20. *Don*

Madge Rohrer is putting together her yearly listing of car shows and a second listing of Tri-Cities area events. If you know of any events that will be in our area, please let her know (423-202-2400 or madge11@aol.com). What she needs is the name of the show or event, date, and contact information (event chair, web site, email address, etc.). This listing will probably be ready for the March Newsletter.

Madge Rohrer's new book, "Touched by Tennessee," is available at Moody Bookstore in the Kingsport Mall (Kingsport Town Center). It contains stories of three Kingsport families, two of which are in our club. Included is a story about Randy Still (Still Transfer) and one is about Lillian Constant.

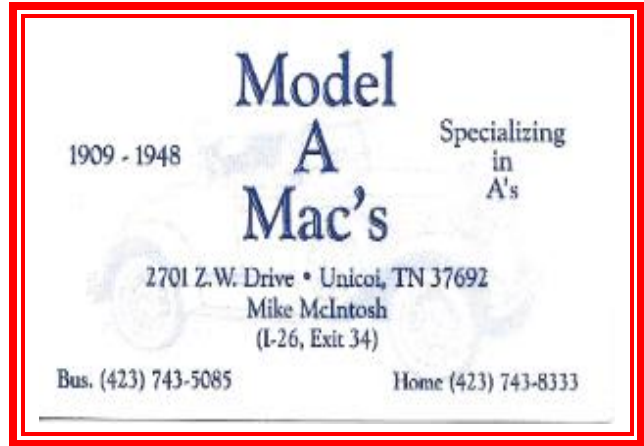

It is also available in Jonesborough and may be purchased at Berry's Pharmacy.

Linda Medlin had an accident and broke her shoulder. Surgery followed; currently she is at home and will be in therapy for 6 weeks.

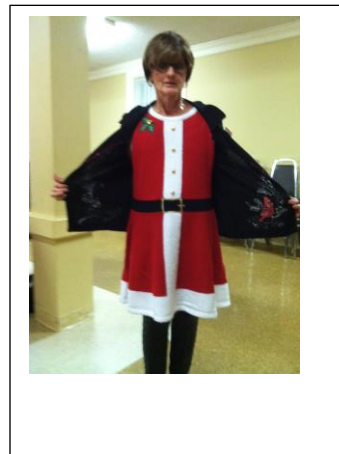

Tom Hughes has a planned epidural and if it doesn't give him relief he will have back surgery.

Deborah Crawford continues her Chemotherapy treatments through June.

NHC plays host to Margaret Bays & Suzanne and Dave Berry.

Mike would like all Car Club Members and friends to know that he has A's and T's for sale. He has tons of new and used parts. Mike McIntosh has 30 plus years restoring and selling cars and parts. His information is on his card at the top of this column.
