## The President's Message

**President Don Wood**

**Hello Members,**

Now that Spring is here, it's time to start thinking about prepping your car for the show season and Cruise-ins. Even if the car winters in storage, it's a big job of cleaning and cleaning, then clean again about two weeks of it.

**This month's meeting will be March 20, 2017 at 6:00 p.m. and the location is Rush Street Grill.** I hope to have pictures from Packard International Membership Meet in California.

Vice President Frank Clamon will have a guest speaker for the April meeting. Anita M. Campbell will give a talk on 3D Printing. Be sure to look for the location for the April meeting in the April newsletter.

Just a few of upcoming events are listed here and the others will be attached with the newsletter this month. *Don Wood*

Look what your friends are up to.....

My friend in the photograph is Melissa Barnett and we went to an event in Erwin for a Valentine Day celebration. The Event was called Gangsters and Molls and you can see a few of the cars in the picture.

I have A's and T's for sale, tons of new and used parts, a 1961 Falcon for sale, over 30 years of working 6 days a week of service. My father was B.E. McIntosh and this was what he did as well as farming. Many, many, AACA national winners have been restored or we have helped in restoring. I have been involved in different movies, etc. Happy Trails! *Mike McIntosh*.

We have a few friends at NHC; Dave and Suzanne Berry as well as Margaret Bays.

Tom Hughes will probably be facing back surgery.

Tom and Barbara Hughes' son fell down the stairs and he is in ICU. (March 5)

Deborah Crawford has four more chemo treatments to receive.
