## President Randy's Message

Thanks again to everyone for a very successful Fun Fest Car Show. Everyone pulled together and made it a smooth running fun event for all. Due to the larger size and collecting registrations and admissions, Allandale is definitely a more challenging event to pull off smoothly. If we all work together, I am sure we can make it another successful event. Dave Williams is heading up the project and we all need to do our best to assist in any way we can. **Our September meeting will be one week early on September 12<sup>th</sup> at ETSU.**

I was personally unable to attend the August 29<sup>th</sup> Picnic at Eastman Cabins but understand it was a lot of fun for those attending. I appreciate Sam Quillen making the reservations, Birg Sergent assisting Sam in cooking and all those who brought food. Thanks to our Vice-President, Don Wood for conducting the meeting in my absence. A special thanks to everyone who helped in folding the T-shirts and putting them in plastic bags. I hear we had unexpected guests who arrived late, a whole family of raccoons and without reservations. *Randy*

Randy Still had an unsuccessful surgery for his enlarged prostate which was followed by excessive bleeding which caused clogging in his catheter and foley bag. He has had 4 subsequent hospital stays to deal with the blood clotting. He attempted to go ahead with his annual pilgrimage to the Pebble Beach Car Show in Carmel, California. He got in one day looking at manufacturer's exhibits including the Maybach 6, new Cadillac unveiling and Tesla test drives and the Gooding Auction on Saturday. The next day he awoke with his catheter clogged with blood clots and spent 2 days in the Community Hospital of the Monterrey Peninsula having treatment. His nephew Steven did accompany him and made it to the Show. On August 31<sup>st</sup> Randy had a biopsy of the lymph nodes in his groin but has not yet received the results.
