The President's Message

I hope everyone had an enjoyable Christmas and New Year. We want to again thank Dave Williams for his leadership of our club for 2 years. We will start off our New Year for the Dan'l Boone Region at the **Lynn Garden Restaurant on MONDAY JANUARY 18th**. Arrive as you can 6 PM or after and the meeting will start at 7 PM. Since many in our Region have never attended an AACA National Meet, I plan to take this opportunity to acquaint you with how an AACA National Meet works and the various ways to participate. It is an excellent opportunity to enjoy another venue for our hobby. Our closest meet will be in Charlotte, NC on April 9th.

Winter has been rough for several of our members and we had enough at the NHC Center to fill a table in the dining hall. Delphia Cox is there due to a fall. Tom Hughes is recovering from a heart valve replacement. Betty Renfro is there dealing with heart issues. Margaret Bays left just before Christmas as she had been recovering from Knee issues. We wish all of them a good recovery!

I thank the region for their strong support during the loss of my father, Gene Still, in early December. The memorials, sympathy cards, and attendance at the services and visitation are sincerely appreciated by me and the rest of the family.

Jan. 14-17, I am taking a break to travel to Michigan for the Classic Car Club of America Annual Meeting. No, I am not fascinated with the annual meeting but am most excited for the opportunity to attend the North American Auto Show, tour the General Motors Heritage Collection, the Adderley Collection, a show featuring classic sixteen cylinder automobiles, and the Henry Ford Museum.

Your kind comments in support of my taking the presidency of the region are most appreciated. I do not think that I am the most capable person to do the job but this club has been an important part of my life for several decades and I want to see it continue for many more years. Please come to our January meeting and help get the year off to a good start. *Randy*

Sunshine News

We heard that Tom Hughes is home and I saw Margaret Bays at The Chop House. She was enjoying her outing.

Sympathy is extended to Randy Still on the death of his Father. & To the Family of Julian Brooks, Sympathy is sent on his death.

Dave Williams may be handing the gavel to Randy but it doesn't mean that he is leaving the Club, if you look at the heading on the first page, he will still have plenty to do. He isn't without a job. He may be asking you to help.

AACA Membership Renewal form (as was in your Nov./Dec. Antique Automobile Magazine) is copied for your renewal in case you haven't already sent it to headquarters. A copy of the address to send your fee is also included.

Be sure to include your AACA number on your check.

Wayne Lambert, Treasurer

Hope to see you there in 2016
