## The President's Message

On the cold days we can think ahead and reflect on what we were able to do in the past.

Last year 2017 I went to the Packard International meet in Santa Anna, California which was held at the Doubletree Hotel. It was moved to Newport Beach, California this year and the date was February 9-11, but unfortunately I could not attend, it's always a great event with great food and fellowship, I hope to attend in February 2019.

At the January meeting we voted to send someone to Philadelphia for the AACA Membership Meet but all rooms had already been reserved so I won't be attending.

If all goes well Randy Still and I look forward to the Amelia Island show in March and the Charlotte show in April.

More updates will follow in reference to our planned visit to Brent Terry's Garage in Elizabethton, TN.

It's almost mid -February and spring can't come soon enough for the Wood family. Hopefully we can soon put this cold and flu season behind us, it's been brutal on many families. Just the thought of what warmer weather brings makes me ready and willing to get in the garage and clean up some old cars then head to the cruise-in starting this spring in May at the Sonic Drive-in in Colonial Heights. Please let me encourage everyone to attend for good food from Sonic and great fellowship of our members. I think the ladies would enjoy just hanging out and chatting with one another.

Our next meeting will be held at Rush Street Restaurant on February 19, 2018, 6:00 P.M.

Don't forget to wish your Sweetheart a Happy Valentine's Day!! Don

I know a lot of you depend on Madge Rohrer to obtain dates for the car events; Madge has informed me that she will be unable to continue due to her arthritis. If you have an event that you would like to pass along I will be glad to include it in the newsletter. Send it by email or US mail. Frankie Lambert, 1209 Radcliffe Ave., Kingsport, TN 37664
