**No.06**

## President Randy Still's Message

Well, I feel like I am shirking on my job as region president since I keep cancelling meetings, but Rush Street has been closed and the CDC Recommendations still discourage large gatherings. There is no way that I can think of that we could spread out enough in the meeting room at Rush Street to maintain the social distancing guidelines. I think any meetings that we have in warm weather, will need to be outside to be safe from recirculating air inside.

Most all antique car meets have been cancelled. The AACA Meet that was postponed from April in Charlotte has now been cancelled. The Flea Market and Car Corral at Hershey in October have been cancelled but, the car show may still be held. The Chattanooga Motoring Festival and Studebaker Meets in Chattanooga are cancelled and the Hilton Head Concours is cancelled. At this time, the Greenbrier Concours event on September 6<sup>th</sup> is still going to happen and they have waived any admission charges.

Locally the Saturday night Cruise Ins in downtown Elizabethton have resumed with participants urged to maintain social distancing.

With our having to skip our regular monthly meetings, I know that I have missed some life events in our membership. I called to chat with Barbara Hughes and found out that her sister had passed earlier in the spring. We extend our sympathy to Barbara in her time of loss. Linda Medlin has continued to struggle with her health issues and spends much of her time in a wheelchair. Other members have been dealing with job loss and other issues and we are sensitive to their situations. Please let me or

Barbara know when major events happen in your life so that we may share the information with other members.

I look forward to our next in person event. Please remember when we do resume in person meetings that though we are glad to see one another, we do not forget to skip hugs and handshakes and maintain proper distance. At least for the foreseeable future, our world and social norms have changed, but our regards, concern and regard for each other is still as strong. *Randy*

## **“Classic Cars for Classic Seniors” Road Trip - June 20<sup>th</sup>**

Well fellow members, does anyone recall how long it has been since we have met? This is an opportunity to get out and drive your cherished classic. In consultation with President Randy the club will have an outing on Saturday morning, June 20<sup>th</sup>. I was contacted by the daughter of a dear friend and resident of the Laurels Assisted Living Center in Norton, Virginia who asked if the club would be willing to sponsor a parade and cruise in at the Center, a pleasant and scenic drive straight up Route 23. Norton is a little over an hour from Kingsport. I will coordinate a departure time likely 9:00 AM and place to be determined for the group to meet. We will make a stop at the awesome Powell Valley overlook at the head of Stone Mountain. More details to follow!

I have created the following event on Facebook and hope that we will have great representation from the Dan’l Boone Club and any car club friends you have who would wish to join us. T-Bird Club members are especially invited! The information below is from the Facebook event that I created. Social distancing will be practiced with the center residents and our participants.

“The Dan’l Boone Car Club (AACA) and the Laurels Retirement and Assisted Living Center in Norton, Virginia are sponsoring a **“Classic Cars for Classic Seniors” event on Saturday, June 20th from 10:30 AM-12:30PM**. Bring out your classic/muscle car or favorite vehicle and join us for a cruise-in and parade. The event includes refreshments and 50's-60's music for the residents. Following the parade, participants will park and show off their rides and enjoy refreshments. Special vehicle recognition will be provided by the Laurels staff and residents. Members of the Dan’l Boone Car Club will share information about the AACA region club. We hope to see you there to honor our classic seniors!”

### **June 20th Meeting of the Car Club**

Judy Williams has been kind enough to offer her home as the venue for the June meeting of the Dan’l Boone Region Car Club. She emphasizes she has enough space for Social Distancing. It will be Saturday, **June 20<sup>th</sup> at 2:00 P.M.** In order for Judy to prepare the amount of food necessary to accommodate the club members, **I am asking that you call me at (423) 534-3358 by June 15** and if I don’t answer, leave your name and the number that will be attending. **You can also respond to [sagelamber@aol.com](mailto:sagelamber@aol.com)**. There is another reason for this meeting Judy is honoring the birthday of her longtime friends, Birg and Lana with **a surprise birthday celebration**. Only the meeting will be listed in their newsletter. No gifts, just your presence.

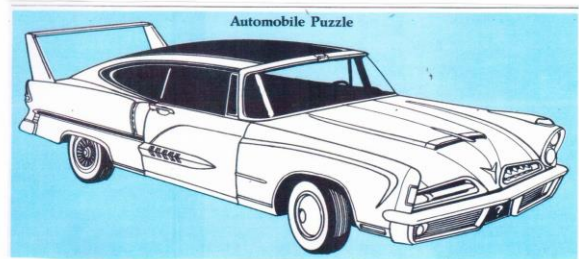

Judy’s address is; 3053 Ward Hill Road Pennington Gap, VA 24277 Cell # 276-870-4376. From Kingsport, go to Duffield, VA, turn left at light onto US Hwy 58 toward Jonesville. Continue approximately 15 miles, and then turn RIGHT onto FRANK HALL ROAD (643). (When you go over the river bridge then up the hill, start looking for Frank Hall Rd) Travel about a mile to a stop sign and continue right. Soon you will see a split rail fence on left, then turn left onto Ward Hill Road, go past cabin and water wheel straight ahead into the driveway.

*Frankie Lambert*

**MAY AUTOMOBILE PUZZLE ANSWERS:**

1. Top – 1966 AMC Marlin
