February 2023

From the Desk of President Marty Lane February 2023

Our January meeting at Giuseppe's Restaurant kicked off 2023 with a bang. Lots of tasty food and conversation was had by all. Two excellent presentations were given by Howard Irwin and Randy Still. Howard gave us a unique view of a Texas car show that was held on the deck of the U.S.S. Lexington aircraft carrier with 416 Corvettes on the deck of the ship. This was exciting. He had a video of how the Corvettes were placed on the ship, using a steam-powered aircraft elevator, 12 Corvettes at a time. Randy presented many photos of his recent travels to car museums, from Asheville, NC to Maggie Valley, NC and beyond. We got to see quite a few unique vehicles and motorcycles even including a mail order motorcycle garage from the 1930s. Thanks Howard and Randy for these very entertaining and educational presentations.

Bill Anderson has some information on a 1969 Buick Skylark Custom,(Light Blue, White Vinyl top) that is for sale if anyone in the club would like to add another vehicle to their collection.

They bring many years of automotive knowledge with them and I'm sure they have many stories related to cars to share with us. We will see you at the next dinner meeting on Tuesday, February 21 I'm sure 2023 will be a great year for the club and I look forward to our upcoming auto adventures.
