### From the Desk of Marty Lane:

I would like to thank everyone for the opportunity afforded me to be club president for the upcoming year. Thanks goes to our outgoing President Randy Still. I certainly have some big shoes to fill.

In the coming year, We can look forward to many car shows, some local and some within a short drive of our area. I encourage our members participation, whether showing a vehicle or simply attending an Antique automobile event. There is fun to be had by all, you get to see a lot of unique vehicles and the people are always our kind of folks.

With several upcoming events being sponsored by our club, including car shows, cruise ins and our club meetings. We can look forward to enjoying many wonderful meals, great fellowship and conversations, enjoy experiencing many antique and modern automobiles and have plenty of car talk to keep our hobby and interest alive in 2023.

I would like to thank our members, our officers and board members for their contributions in the past and the future.

Thanks goes to Dave Williams, Don Wood, Frankie Lambert, Wayne Lambert, Sharon Williams, Sam Quillen, Sergio Merluzzi, Howard Osbourne, Tom Wilson, Bill Anderson, Dr. Pete Renfro, Dr. Archer and of course Randy Still for his numerous contributions to the club. You couldn't ask for a better group of people to work with.

I hope to continue the great tradition this club has carried forward with friendship, fellowship and the love of all things automotive. With Howard Irwin as Vice President by my side, I will strive to keep things interesting and vow that we keep having fun in the meantime. Thank you for your trust and here's to a wonderful 2023.

Special thanks goes out to Randy Still for serving as the previous AACA club President in this past year and for many other years in the past. His contributions to the club are numerous and I am honored to have served as Vice President beside him in 2022. Randy will continue to be involved in the club by serving on the Board of Directors and I look forward to his continued input and assistance. Randy will also contribute some photo presentations of past car shows which are always informative and anticipated.

Howard Irwin will serve as the Vice President to the club for this upcoming 2023 year. He has been of great help with his informative and entertaining presentations. We can look forward to more presentations from Howard and I'm sure we will continue to look forward to them.

Thank You All So Much  
Marty Lane

## **Membership**

We are fortunate to have gained several new members in the past year. Bill Anderson, Fred Counts, Matt Caldwell, and more recently Allen and Becky Hagle.

We also have several new inquiries for membership so I feel that the club had the potential to continue to grow and have a positive impact on the local car community.

## **Calendar of Events**

Upcoming this year for sure are the Downtown Kingsport Car show at the train station off Broad Street, The Fun Fest Car Show, The Classic Cars for Classic Seniors Show in Wise and The Allendale Car Show, all presented by our club.

Many other car events are afoot this year including the Cars and Coffee events held at the Bristol Speedway.

Dates and events listings to follow in future newsletters and at our monthly meetings.

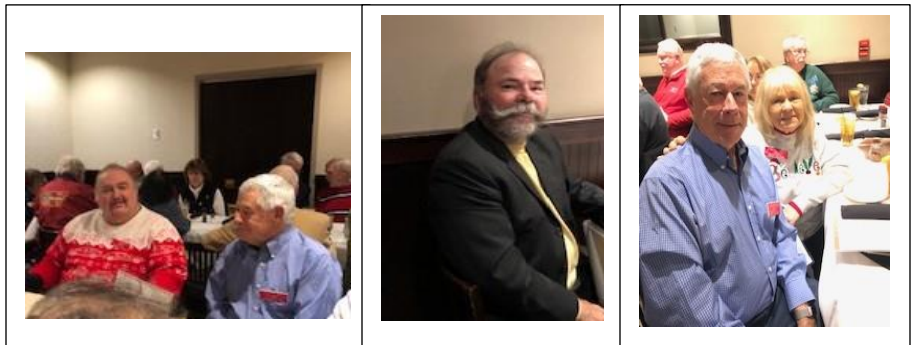

*Betty Renfro, wife of Dr. Pete Renfro passed December 19th.*

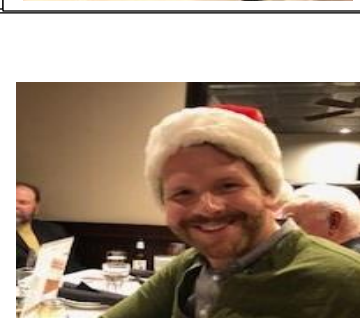

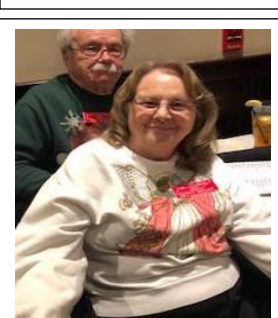

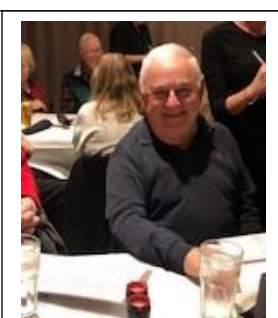

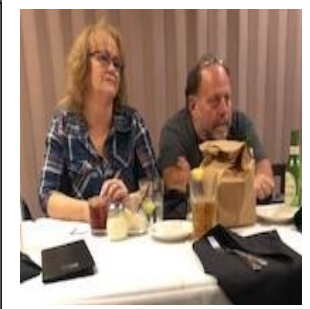

*The Dan'l Boone Car Club sends its sincere condolences to Dr. Pete and his family on the passing of his wife, Betty*

The Renfros are long term club members. A \$75 club donation in her memory is being made to Petworks.
