Historian	David Berry	
Board of Directors	Randy Still (Chairman), Members at Large: Woody Flenor, Sam Quillen, Gene Archer	

April 2017

VOLUME XXXIX

No. 04

## The President's Message

Don Wood-President

I hope to see all of you at the **April 17<sup>th</sup> meeting of the Dan'l Boone Region Car Club at Regional Center for Advanced Manufacturing, the address is 305 W. Main Street, Kingsport, TN at 7P.M.** Enter from the main entrance. The Meeting will be on 3D printing. If you care to have dinner in downtown Kingsport, you will find several venues offering food.

I have started judging again at AACA events and have two coming up in May. I attended the Charlotte AACA Meet along with Randy Still. Lewis Safriet was also at the meet. I hope more of the members will attend the meets as their time permits.

We are proud of the two awards that Randy got in Charlotte and so glad that he is able to return to his favorite hobby.

A reminder about dues, if you haven't paid your local, it's not too late.

The **May meeting will be at Rush Street.**

I want to remind you of a couple of shows, Fiddlers and Fiddlehead at Unicoi, TN-April 29 and the Davy Crocket May 6 event.

*Don Wood*

*Our Sympathy goes to his wife Sharon and Family of*

*Jack Harbourne*

Jack Harbourne, long time Dan'l Boone Region member and renowned wood carver passed away on January 31<sup>st</sup> after a siege of heart related problems. European sports cars were Jack's passion and he had owned Maserati, Jaguar, and other prestigious marques. Jack could not attend region meetings as often in recent years, but could always be found patiently explaining and performing his wood carving talent at our Allandale Meets. Jack often carved rare and exotic woods to give his work an even more special appearance. His enthusiasm for both the wood carving and sports cars was fun to observe. Jack will be missed by our region, particularly at Allandale Car Shows. We extend our sympathy to Jack's family. *Randy Still*

*Sympathy is extended to Dr. Pete and Betty Renfro on the death of their son Fred A. Renfro.*

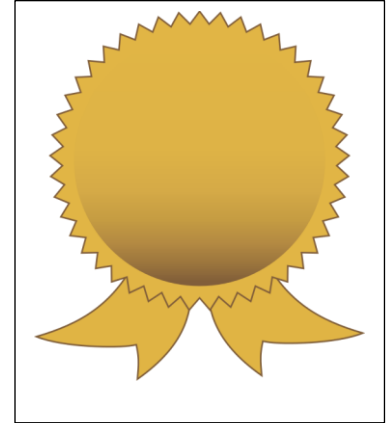

**Update...** Tom and Barbara Hughes' son has been moved to Bristol for evaluation and for wound care service. Tom will have back surgery in the future.

Keep the Hughes Family in your thoughts and prayers along with the son of the Dave Williams family.

**Randy Still's 1989 Cadillac Brougham  
HPOS original car award at Charlotte**

**AACA**

**Randy Still's 1947 Crosley Bubble  
side Pickup at Charlotte AACA**

**First Junior Award**

**Shark Nose Graham at the  
Charlotte AACA Meet only for your  
pleasure**

**Good News Dave Berry's Pharmacy is moving downtown. It is already in progress. The pharmacy's new location is the corner of Clinchfield and West Center Street with the address of 460W. Center Street. In a couple of months David Berry will have his own office in the pharmacy's new home.**

**Another bit of Trivia, the new location will have more room for his auto memorabilia,**

**I hope you will be there to see what Dave will be showing in his new location.**

**Here are a few notes from Dave Williams:** Orders for the Allandale t-shirt will be taken this month with delivery projected by Memorial Day weekend. The shirts will highlight Kingsport's Centennial and include the Simmerings' 1917 Model T, Mickey Smith's 1967 GTO, and a 2017 Tesla S.

I have submitted the Allandale Show to be included as a centennial celebration event. City dignitaries will be invited to attend with a trophy or trophies to be presented by KC representatives.

Also, we are asking that members who have previously solicited specific ads for Allandale to contact their sponsors. Thanks to Gene Archer for already volunteering to contact the sponsors he secured last year.

We are asking that our 2017 sponsors be finalized by the first week of May as we will print the show flyer for distribution by latter May.
