No. 04

## The President's Message

Dear Members,

The next meeting will be held at Rush Street Restaurant April 16, 2018 with dinner at 6pm and the meeting will follow at 7pm.

There will be discussion about the time to meet for the tour at Brent Terry's on May 5, 2018 and we can decide about eating at JB Café, either before we go or after the tour.

Randy Still and I just returned from the Charlotte AACA National Spring meet last night. Congratulations go out to Randy who received a preservation award with his 1982 Porsche 928 and 1st Jr. with his 1993 Cadillac Deville.

When the sun comes out and we have longer daylight, I can't help from looking forward to the Sonic cruise-in in May and the Elizabethton cruise-in coming up the end of April.

Hopefully the weather will soon be more corporative and we can enjoy driving some of our cars and having great fellowship with members and friends.

Thanks,  
*Don Wood*

*We have Dave Berry at Preston Place and no one reported sick, so it looks like a good month. I'm sure Dave would appreciate a card or a call.*

**Good News for the month of April, we congratulate Dave on his car and the recognition it has received.**

Dave Williams' 64 .5 Mustang was selected to represent the earliest of the 55 Mustangs on display by year at Ponies in the Smokies 2018, held at the Sevierville Convention Center, March 21-24. Over 700 Mustangs representing all six generations participated in a two day car show. The rarest of the rare were featured including an all original low mileage 1969 Mustang Boss 429 and the first Mustang Saleen (a 1985) ever sold to the public. Steve and Liz Saleen were present and signed cars and autographs. Dave met Liz who is producing a dash plaque for his early 89-159 hatchback which was never delivered with one.
