March 2019

VOLUME XXXXI

No.03

President Randy Still

Spring is on its way and car activities along with it. By the time of our March meeting, Don Wood and I will have attended the Amelia Island (FL) Concours and Auctions and gotten our Old Car fix after winter hibernation. The Corvette Expo is in Sevierville at the LeConte Center on March 15-16. Early next month will be the Charlotte Autofair and AACA National Meet at the Charlotte Motor Speedway on April 5-6. The Knoxville West Town Mall Cars and Coffee will be 8 am until 11 am on April 7 th.

Our March meeting will again be at Rush Street Grill on Stone Drive in Kingsport. Come to eat about 6 pm and we will start the meeting shortly after 7 pm. I was pleased by the good attendance (including new faces) at our February meeting and hope we again have a good crowd. I would like to ask that any member who could share the story of a car they own or find fascinating to share that story in a program for our membership. Photos and stories of cars may also be given to Frankie Lambert to be shared in our newsletter. Remember a program from another member, means one time less you have to listen to me and view my photos!

I look forward to seeing you at our March 18th Meeting!
