Greetings Friends,

Where has 2024 gone, I woke up this morning and realized we are over halfway through 2024! June wrapped up with lots of activity in our hobby. We ended the month with our first monthly Sonic Cruise-in, which was well attended. Earlier in June, we had our first show at the Blake, and feedback from attendees and the folks at the Blake was incredibly good, so we're already planning to do this again in 2025. Marty has updated the website (<https://danbooneregion.aaca.com/>) with photos from both of these events. Thanks Marty, for the excellent work! Other local shows filled out the month, with our friends at Fall Branch having their annual show on June 29<sup>th</sup>. I'm looking forward to hearing about this show from several members who attended. Also, a highlight for me was the Liberty Celebration-thanks to Dave Williams for making us aware of this great Patriotic event. I can't wait until 2026 for the next one! Your Board also met in the last week of June to work on details for the upcoming shows at Fun Fest and Allandale. Now for upcoming events to put on your calendars for July and August: (note the complete calendar is also included in the newsletter)
