## The President's Message

Don Wood-President

Our last meeting was held at Rush Street Restaurant with great food and fellowship. We had discussion about the Funfest Show in which we didn't have as many cars this year as in the past but moving forward we focus on the upcoming show at Allendale.

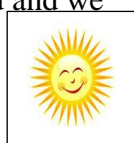

Several members purchased the new tee shirts sold by Dave Williams. So for those who didn't get a shirt we will have them available for purchase at the picnic as well. Remember S-XL is \$10 and the 2x and 3x will be \$12. We don't have as many to sell this year as before, **GET YOURS NOW**.

Please continue to remember The Hughes Family as Tom passed away today, August 2. We send sympathy to his family; keep them in your prayers and others who are in need.

We really miss those who always helped in the Funfest show and were unable to assist because of health reasons.

Deborah Crawford has finished her Chemo and helped register cars. Randy is looking good and we are grateful for the two of these.

Don Woods

# Chairman Dave Williams' Report on the Allandale Show

We are in good shape show preparation wise. I will pick up dash and award plaques this week. I have received the AACA insurance certificate. Thanks to our members who have helped distribute flyers at cars show. My next big show to distribute these is at the FOPA show which will be later this month. Please let me know if you wish flyers to distribute at other shows. I am working with the city government to have officials present to make three Kingsport Centennial awards. I am also in contact with the city to provide historical city vehicles for display. So far this seems somewhat problematic.

We currently have 99 shirts left out of our 140 order so please pick any shirts you would like to purchase at the picnic. I'm sure we will sell out at the Allandale Show. I have some left to package so I may call upon our membership to help at the picnic.

Our most critical need for Allandale will be registration. If you are available to help, please let me know. I look forward to seeing you at the picnic! *Dave Williams*

## Reminders

As you plan for the coming year we want to make you aware of a change voted upon at the 2017 AACA National Board Meeting in Independence, Missouri.

AACA national dues have remained at \$35 since 2008. Your Board of Directors has resisted dues increases while most clubs have had increases. It has been the goal of AACA to find alternative revenue sources to keep dues low and that has been successful for the club over time. However, overhead continues to mount and an ambitious plan for the future necessitates a minimal increase for 2018 to \$40 (Foreign - \$50.)

The AACA Grand National Award winning 1931 Model A Ford Station Wagon restored by former region member, Jack Rorrer, is available for purchase. The car was stored in climate controlled storage for 18 years and has not been started. The family would like it to go to an antique car enthusiast who would get the vehicle back out in the hobby and enjoyed by the public. Contact: Alan Rorrer 704.904.8789
