Volume XXXVIII

No. 2

The President's Message

Thanks to all those who came out on a cold night in January for our meeting at The Lynn Garden Restaurant. We had about 20 which is good for a January meeting. I gave a program on AACA National Meets – what they are and why you might want to attend. Everyone was very attentive and that is appreciated.

Winter continues to be a rough time for many of our members. Margaret Bays has again been hospitalized and has been in intensive care. Tom Hughes is home and having therapy as he recovers from a heart valve replacement surgery and is progressing well. We lost 2 members in the last month. Reed Williams passed and our region extends its love and support to Judy and Reed's long-time friends, Birg and Lana Sergent. Reed was a loyal member making the considerable trip from his home near Pennington Gap to our meetings in Kingsport,. Reed loved his cars and leaves an impressive collection. Art Hopson of Afton, TN had been a region member for many years. Art owned a 1934 Lincoln K Limousine (maroon with a tan padded top) that Stanley Price had restored. Art was plant manager at Magnavox in Greeneville and was transferred to live in Brownsville, TX as he managed a North American Phillips Plant in Mexico. He was there for about 12 years and we lost frequent contact with him at that time. Art is survived by his wife Faye. Our sympathy is also extended to region member, Sam Quillen, in his loss of his sister.

Our February Meeting will be held at 7 pm at ETSU at Kingsport. On February 15th. Region member, Lewis Safriet, will have returned from representing our Region at the AACA Annual Meeting in Philadelphia by that time and will tell us about the trip and AACA News from that event. I encourage any region member who might share a program with the group to volunteer to do a program. It does not have to be an elaborate program. Some of our best programs are members sharing car information or reporting on car events they have attended. Please volunteer as I hope to have a program for each regular meeting.

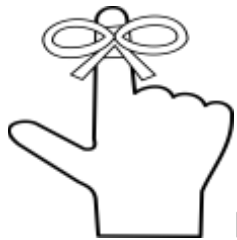

While we are still dealing with winter, the car season will be here soon. For me the season begins on March 13th when I will attend the Amelia Island Concours. By April, event will be starting up locally. Come to our February meeting and bring a friend!

Randy
