## President Dave's Message

The 37<sup>th</sup> Allandale Show is now history. We recorded 260 registrants and had hundreds of spectators in attendance. Club members received positive feedback throughout the show day. As in the case of last year the meet was called about an hour early due to the rain. It fortunately did not last long as thirty plaques and cash prizes were awarded to enthusiastic recipients.

The success of the show was directly attributable to the well-coordinated set up that took place at o-dark-thirty, the smooth registration process, and the efficient spectator and show car parking that occurred during the day. I particularly appreciate the dedicated members who stayed around to pack up the trailer and clean up the grounds at the end of the show. I sincerely thank all Dan'l Boone members who assisted this year's show in any way. Your involvement ensured its success and I much appreciate your dedication!

As I expressed last year, any endeavor that I have been involved in can benefit by

suggestions for improvement or change in procedure. Your board met recently and did an overview and assessment of the 37<sup>th</sup> annual show. We feel that fine tuning will enhance the 38<sup>th</sup> annual show next September and make it even more successful and enjoyable. I am asking that members and the general public provide feedback via the website that will help us in planning for next year. A significant part of our October meeting program will include a discussion on what we did well and on areas where we can enhance the 2016 show. I have continued to refine an extensive document which provides detailed and explicit information for future Allandale Show chairs.

Again, I encourage each of you to attend our October meeting so that we can share our ideas and suggestions. Treasurer Wayne will provide a detailed cost accounting for the show. Additionally, given the decreased registration from last year we have a number of large and extra-large t-shirts remaining. The board approved selling these at cost to the membership for \$6 each. Please contact me if you missed getting a shirt or would like to purchase more as gifts. We also have a few sweatshirts and hoodies available. I will

bring some of these to our meeting on the 19<sup>th</sup> at the Lynn Garden Restaurant. Finally as a result of our advertisement of free 2016 AACA first time memberships we have gained three new Dan'l Boone members who have received a special invitation to the October meeting. I hope to see each of you there! *Dave*

Just a few of the many cars you missed if you didn't attend the Allandale Show.
