## The President's Message

### President Don Wood

I would like to thank the members for entrusting the position of President to me and for Frank Clamon accepting the position of Vice President.

My message this month will be short as will be the newsletter.

My main goal this year is to try to increase MEMBERSHIP with hopefully inviting some younger members. It would be nice to even have some informal get-togethers on maybe a Saturday morning when we could meet and talk "CARS".

I was recently asked how I got interested in Antique/classic Cars. The answer to that was my Father. He got my brothers and I started in cars to keep us out of "trouble", our focus was Packard Cars. My brothers and I all ended up with a Packard.

I plan to attend several car shows this year bringing back information and pictures to share with the members via meetings and newsletter.

Our January meeting location had to be moved because ETSU center in Kingsport will be closed on January 16, Martin Luther King Jr. Day to be exact. We will be having a dinner meeting at Rush Street Neighborhood Grill located at 1229 East Stone Drive, Kingsport. You may want to come at 6:00-6:30 to order and eat then the meeting will start at 7:00. Please try to come to this meeting to see that we have a good crowd for the restaurant. Feel free to bring a guest. It is very hard to find a venue for food and a meeting room included in the price for a meal.

**Our Board Meeting will be 7:00 P.M.on Monday, January 9, 2017 at Randy's Office at 133 Cumberland Street.**

**We have several items for discussion; Fun Fest, Allandale Show, Meeting Venues, recruiting members and speakers for the meeting. *Don***

Randy Still has good news, his cancer is in remission and his last treatment hopefully will be in February.

Dave and Suzanne Berry are still at NHC in Kingsport.

Margaret Bays is also at NHC.

Tom Hughes is on limited therapy at his home.

Howard Osborne's eyesight has improved and he is able to drive during daylight hours only.

Deborah Crawford continues her treatments.

AACA Membership Renewal form (as was in your Sept/Oct. and Nov. /Dec. Antique Automobile Magazine) is copied for your renewal in case you haven't already sent it to headquarters. A copy of the address to send your fee is also included.

Be sure to include your AACA number on your check.

*Wayne Lambert, Treasurer*

The Antique Automobile Club of America (AACA) has always valued our partnership with the Museum that bears our name. We are, however, writing to inform you that, after much deliberation we have made the difficult but responsible decision in the best interest of our members to discontinue our relationship and financial support with the AACA Museum.

*The AACA National Board of Directors sent this information in a letter to all members.*
