VOLUME XXXX

No. 03

President Don Wood

Hello Members,

I just returned from Amelia Island yesterday evening. Randy Still and I attended the Concours d' Elegance at Amelia Island March 8-11 it was a fabulous show we will show pictures at our next meeting. A preview of some of the cars is on pages three and four. The show was informative and enjoyable.

The Next meeting at Rush Street Restaurant will be March 19th, dinner at 6pm and meeting at 7pm. We have experienced better attendance by having our dinner with the meeting. Please come and bring a guest.

I attended the Davy Crockett meeting on March 12th and we discussed the upcoming tour of Brett Terry's restoration shop and the final date will be discussed at our next meeting.

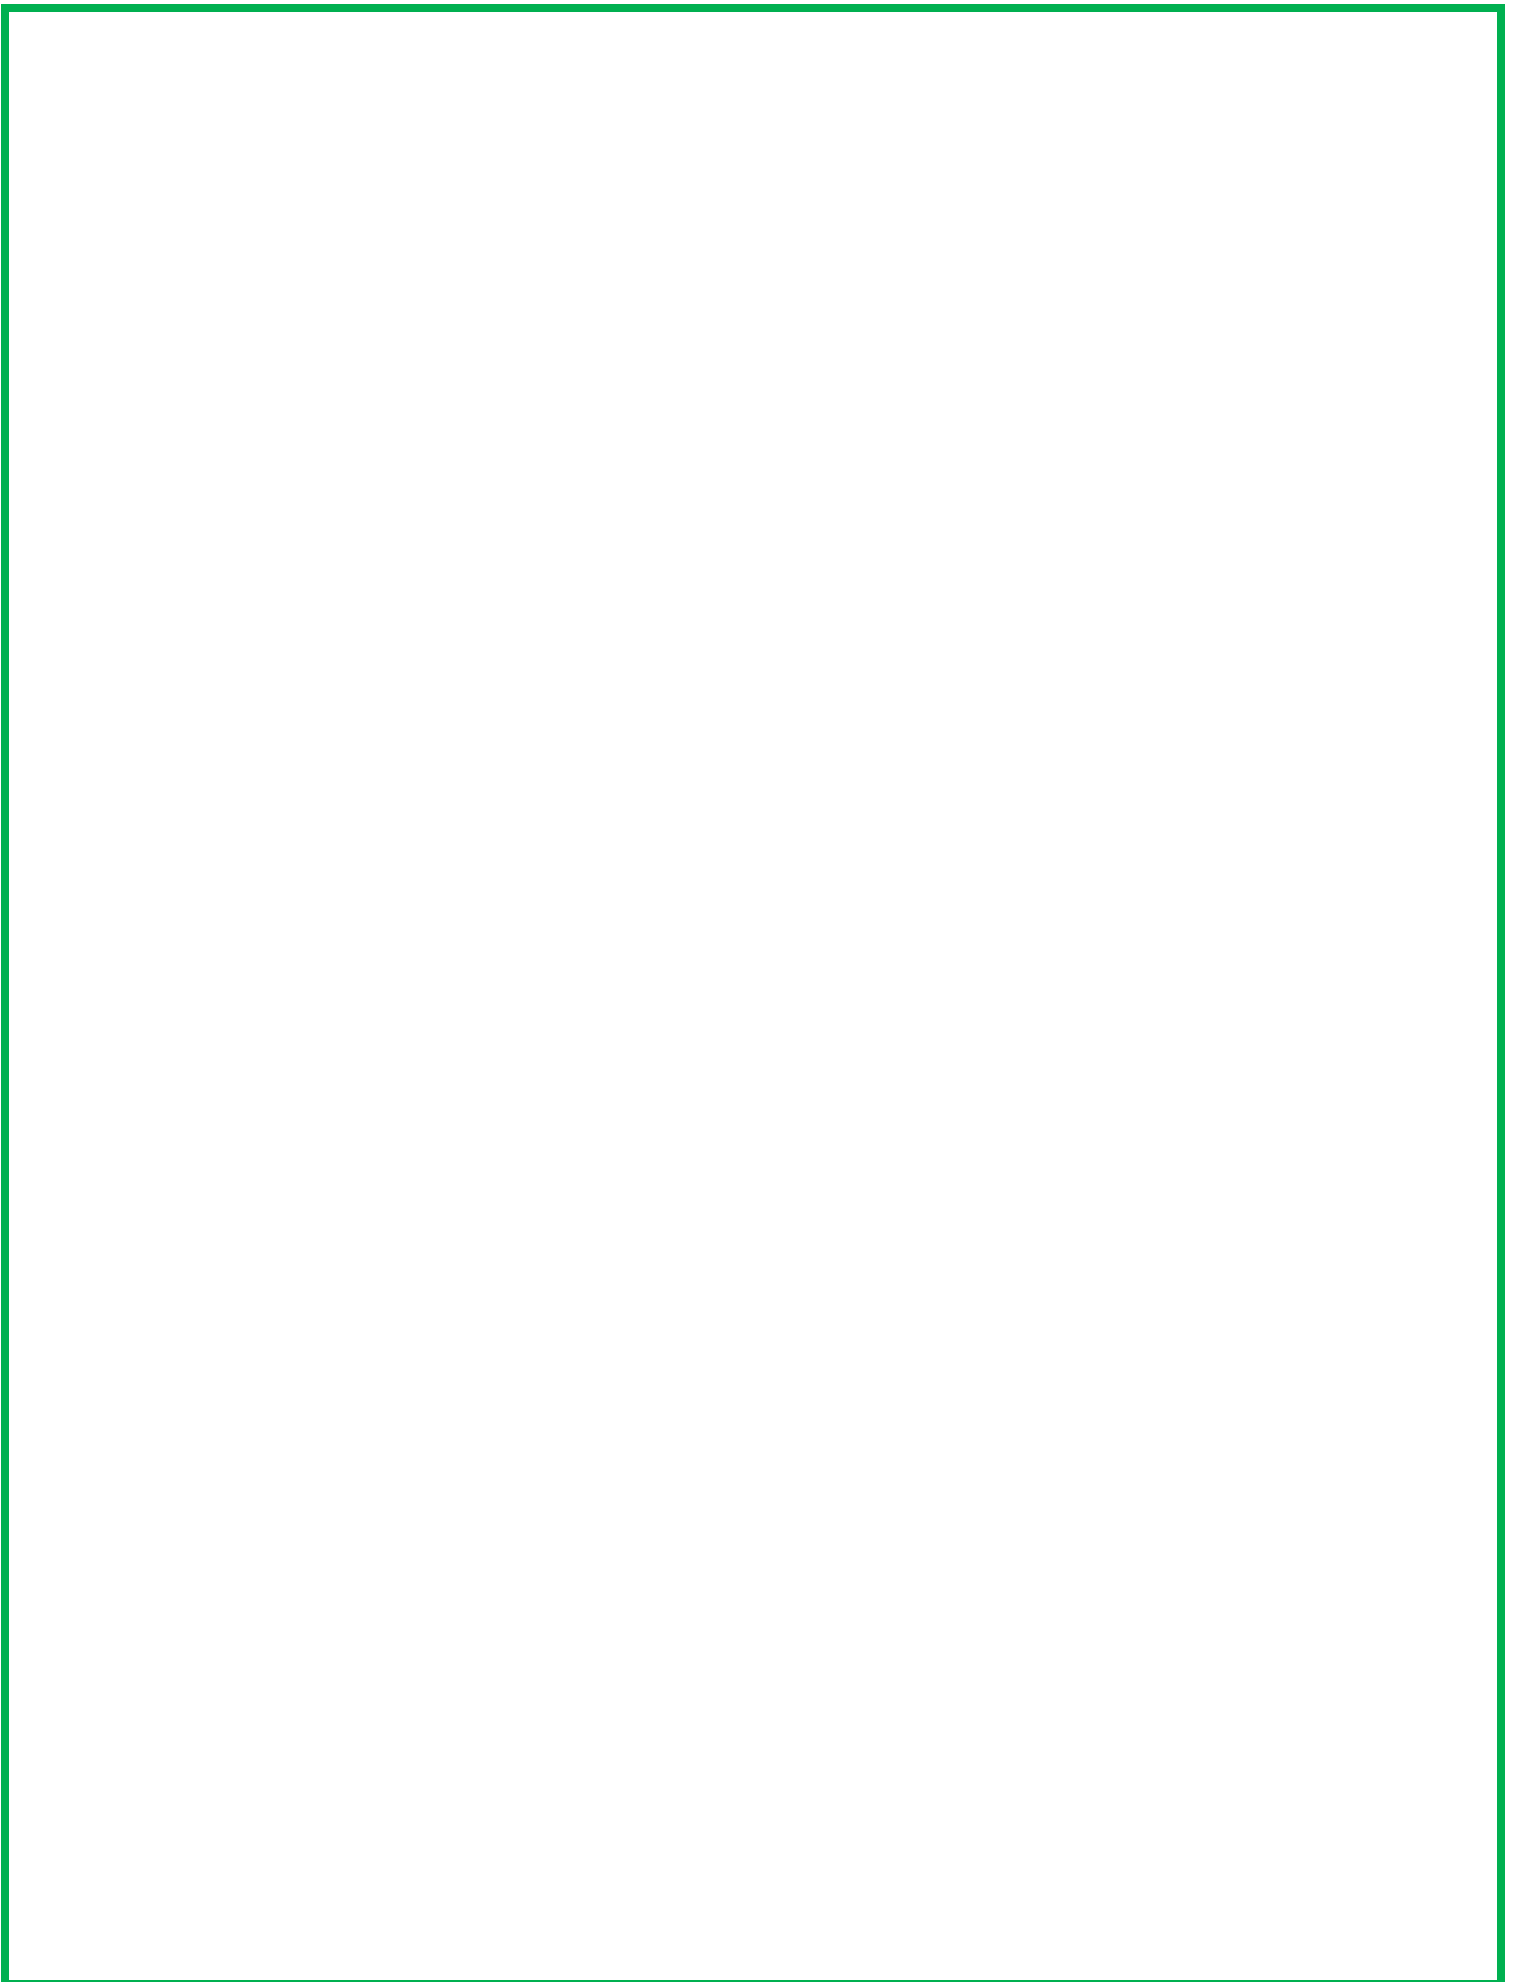

We will also discuss the upcoming AACA Show in Charlotte N.C., read Randy's article concerning this topic. Make plans to show or just attend. *Don*

Update on the Allandale Car Show by Chairman Dave Williams

"The Dan'l Boone membership confirmed at the February meeting that the 40th Anniversary Allandale Car Show will feature orphan brands, those no longer produced. Following nomination, membership voted on the three vehicles to be included in the show artwork: Sam Quillen's 1952 Studebaker, Randy Still's 1976 AMC Pacer, and James Armstrong's 1947 Hudson pickup. Dave Williams will need to receive images for these as soon as possible for submission to Jim Caswell who will produce the artwork. As in the past the mansion will be featured in the background with owner names included.

As in the past, Sullivan South High School will play a significant support in the September 16th show through assistance by the JROTC with parking and spectator donation collection. The Band Boosters will be serving delicious breakfast and lunch items. Dave Williams continues as the Allandale show chair in 2018 and thanks to our membership for their past support. As we look forward to celebrating our 40th anniversary show, Dave welcomes suggestions to enhance this noteworthy club event."

On April 7 the AACA will have its national meet in Charlotte, North Carolina. This will be hosted by the Hornets' Nest Region in conjunction with their spring auto fair. It will be the closest to us that I can get to see a national meet this year. There are many cars in the Daniel Boone region which would do well at national meets and there is still time to register. Call AACA national headquarters with your membership number and they will send you the registration forms. *Randy Still*

As seen at Amelia Island-Thanks to Randy Still

Rausch and Lang shown at electric car show- an earlier version of the car owned by Carol Redmond.

Bill Parfet's 1932 Auburns lined up at the awards podium in Amelia Island.

Aston Martin DB5-this was the type of car used in the early James Bond Movies

Stanley Steamer

A Corvette Race Car made by GM for Harley Earl's son Jerome to race.

1957 Eldorado Seville Cadillac

Family in costume in their Rolls Royce Silver Ghost

1950 6 BMW sports car

This Packard has a removable top; however it weighs 600 pounds and rolled into the lake at Hilton Head last year.
