2018**

VOLUME XXXX

No. 11

President Don Wood

Our deepest condolences go out to the family of Dave Berry. He was a founder member of our Daniel Boone Region AACA. He shared his love for antique cars and attended monthly meeting as long as his health would allow. A well know pharmacist owner and operator of Berry's Pharmaceutical in Kingsport, TN. A true friend and he will be missed by many, yet his legacy lives on. Thanks to the club members that were able to attend Dave's service as representation of our club.

Randy Still and I were able to attend the Hilton Head Concours d'Elegance which should be the last show of the season. We look forward to attending and preparing for the upcoming shows in 2019. Next meeting will be November 19, 2018 at Rush Street Restaurant in Kingsport, TN. Dinner at 6pm and meeting at 7pm. Discussion in reference to keeping to Rush Street Restaurant as our meeting location.

Due to health issues Deborah Crawford has ask to be replaced for the position of Secretary. Deborah has done an excellent job and she will continue to be in all our prayers. Remember the Christmas Dinner at Mafair United Methodist Church in Kingsport, Tn. December 10, 2018 Social hour 6-7pm and Dinner at 7pm

Thanks,
President
Don Wood

DAN'L BOONE REGION AACA

October 15th Meeting

The October 15th Meeting of the Dan'l Boone Region AACA was held at Rush Street Grill. The meeting was called to order about 7:15 by President, Don Wood. He led the members in the Pledge of Allegiance. He called on Wayne Lambert for the Treasurer's Report. He reviewed the Allandale / ETSU Expenses and the donations to ETSU \$500 and to the Sullivan South ROTC \$ 500.00. It looked like we lost about \$202.00 on the event which is not bad considering the rain date. We ended September with \$14,321.27 in our treasury.

Don then called on Randy Still for the minutes of the business meeting held September 10th. The minutes were read and accepted as submitted. Don then called on Dave Williams for a report on the ALLANDALE/ ETSU Car Show. Dave reviewed how we had to go with a rain date due to a tropical storm passing through our area on the original September 16th date. He recognized the amazing cooperation of the staff of ETSU's Allandale Campus which helped the event happen there on very short notice. The minor loss we incurred on the event was good considering the change of venue and rain date. Dave suggested that the ETSU Allandale Campus be used for our 2019 Fun Fest Car Show.

Barbara Hughes then gave the Sunshine and Shadows Report of our membership. Deborah Crawford continues her battle with cancer but was too weak to take her most recent chemotherapy treatment. Woody Fleenor had been in the Veteran's Administration Hospital for treatment of bronchitis. Don and Charlene Wood announced the arrival of their newest grandson on the day of the meeting. Frankie Lambert had a recent fall and was unable to attend the meeting.

Howard Osbourne told of an upcoming road trip for the Thunderbird Club traveling to Lincoln Memorial University for a tour there including the Lincoln Library. They were going on Saturday October 20th and Howard thought the Dan'l Boone Region might want to make the same trip during the fall colors season, There seemed to be interest among the membership and Howard was going to work with Don after he makes the trip with the Thunderbird Club.

Don then called on Randy Still for the program. Randy told of his August trip to the Monterey, California Car Week and presented a video of the events. After the presentation, the meeting was adjourned.

Randy Still on behalf of Deborah Crawford, Secretary

A NOTE FROM DAVE WILLIAMS

As we approach the Thanksgiving and Christmas season, I am thankful for our dedicated membership that rises to the call and supports our two annual show activities, FunFest and Allandale.

It seems as we lose valued members, most recently Dave Berry, who have served the Dan'l Boone Club over the past decades we still manage to provide first rate shows that are recognized throughout the Kingsport area and beyond.

We will continue to rely upon the support of The Sullivan South JROTC, Sullivan South band boosters, Sonic Drive In - Colonial Heights and ETSU Allandale to make this possible. I continue to encourage each of you to continue our quest for new membership (as well as club officers) albeit a challenging task in the days ahead. As the Dan'l Boone Car Club moves into its 41st year we each must strive to keep the love of all things automobilia alive and look toward our 50th Birthday!

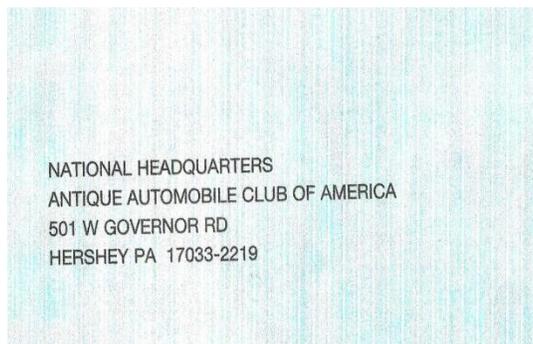

Best wishes for a joyous Christmas season and a healthy and Happy New Year!

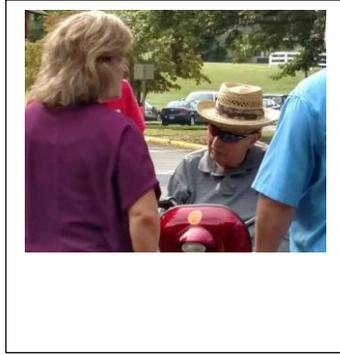

Dave Williams

It's Membership Renewal Time –AACA

It is time for Membership dues again.

The renewal form was included in your September/October Antique Automobile Magazine. Dues are \$40 for USA and & \$50 for foreign. Be sure to write your AACA number on your check. Send it to the address.

Dave Berry

Dave Berry was one of the people who joined together to petition the AACA to have a region based in Northeast Tennessee. From that day on he was supportive of the club in many ways and usually at his own expense. Convertible Roadsters were obviously his favorite and his Ford and LaSalle were fixtures and crowd pleasers at local shows. From the time I met him, he was always hoping to acquire a Cord Beverly or Westchester. He was a member of the Auburn Cord Duesenberg for many years keeping a lookout for the elusive Cord. Dave's LaSalle went through the various level awards with AACA including a Grand National First Prize at a Meet in Cherry Hill, New Jersey.

At the Annual Region Christmas Banquet, he would distribute Antique Car Calendars to members for the coming year. His collection of automobilia and toys made for many interesting programs. His automated Santas entertained the club as well as folks in area senior living facilities.

For many years Dave made his annual pilgrimage to Hershey and to the AACA Annual Meeting in Philadelphia. Dave would often acquire the most interesting toy cars and hood ornaments to be found in the Hershey flea market. His enthusiasm for the old car hobby was consistent and contagious.

Dave was one of the most enthusiastic supporters of the AACA National Meets our region hosted in 1986, 1990 and 1996. He served the region as Historian, Newsletter Editor, Vice President and President and likely in more positions. He was also truly dedicated to his pharmacy business. Often, he would arrive late to meeting after working a rough day in the pharmacy. Dave had an upbeat personality and always had a good story to share.

When Suzanne became ill with Parkinson's Disease he sought out the best care in the country for her and did all with his capabilities to see that she was comfortable and well cared for.

He was a loyal friend who many of us will miss having in our lives. Our region was lucky to have had Dave in our midst for 40 years! *Randy Still*
