PRESIDENT Randy Still's MESSAGE

We are into car show activities prime season. I hope you have had a chance to take in a car show, cruise-in, and concours or drive already this year. I am excited by the new folks at our May meeting! Please make every effort to get to know them and encourage their participation. I hope we made a good first impression.

Thanks to Howard Osborne for organizing the Excursion to LMU and the Cumberland Gap National Park. The Dan'l Boone Region was overdue for a good road trip. (I am writing this before the trip – thus the lack of details.)

Many members attended the Memorial Weekend car events sponsored by the Kingsport Antique & Rod Club. They are boosters of our events, so it was good to see our Region support their shows. It is great that they had good weather for both the Fort Henry Mall Cruise In and the show in Downtown Kingsport on Saturday.

On a personal note, I have pulled my unrestored 1927 Buick Model 51 from its many year hibernation. It is being prepared to show at the Cincinnati Ault Park Concours on June 9th. It is good to hear that engine running again after a lengthy rest.

Dave Williams has been hard at work on both the Fun Fest and Allandale Car Shows. Plans are progressing well. Details of the Fun Fest Car Show to be held at ETSU's Allandale Campus will be finalized at our JUNE 17TH MEETING WHICH WILL BE HELD AT ETSU's ALLANDALE CAMPUS at 7PM.

Thanks to Don Wood who provided the program for our May meeting. Mike McIntosh and Don Wood have provided programs so far this year – NOW it is your turn. I feel programs are essential to maintaining a healthy special interest / hobby club. The only way to avoid a steady diet of Randy Programs is for members to volunteer to share information about cars they like or activities with other clubs.

Please make a special effort to attend our June 17th Meeting!
Randy
