October PRESIDENT'S MESSAGE

It was good to see those who attended our gathering at Allandale Mansion. I also fully understand and agree with those who thought it best that they stay in. Even though it was not feasible to hold our annual Allandale Show, it was nice to be in that setting. We had a brief meeting where we learned our Treasury was unchanged and there were no minutes to approve. The Christmas Banquet was announced to be held at Food City at Crown Point Center near the intersection of Eastman Road and Fort Henry Drive. The meal will be served to avoid multiple guest handling the serving utensils and seating will be spread out for social distancing. It will be held on December 14th at 6:30 and will cost \$20 per person. Bring you payment to our October meeting or mail your check to; Wayne Lambert. Sam Quillen and Barbara Hughes were appointed to serve as our nominating committee for 2021 Officers. Each family unit received a 2020 Allandale Members Only Meet Dash plaque. Then they drove their vehicles in front of the Mansion for individual photos.

Don Wood and I attended the Greenbrier Concours and showed my unrestored 1927 Buick Model 51 Brougham. The car received the Springhouse Award which was a wooden trophy which was a model of the original Springhouse at The Greenbrier. Every effort was made to make it a

safe event. No admission was charged, masks were required and the cars were spread with increased distance between them.

For our next meeting, I have selected another outdoor venue. I have reserved a covered picnic shelter at Kingsport's Borden Park. It has many tables, is next to the parking lot and the building housing the bathrooms. I suggest that everyone bring their own food and drink and wear a mask. Please spread out among the multiple tables to facilitate social distancing. This meeting will begin with eating about 1:30 followed by a business meeting. It will be Sunday, October 18th. With the protection of the picnic shelter, we should be able to meet even if it is raining. Since it, likely, will be colder in November, I do not plan to attempt a November meeting.

Last I heard Paula Stauffer was recuperating quickly from her shoulder replacement surgery. Kim Kaufman has a bicycle accident that resulted in head injury and hospitalization. He is now moving to a rehabilitation facility. Kim is a former member of our region and did clever cartoons for our newsletter for many years.

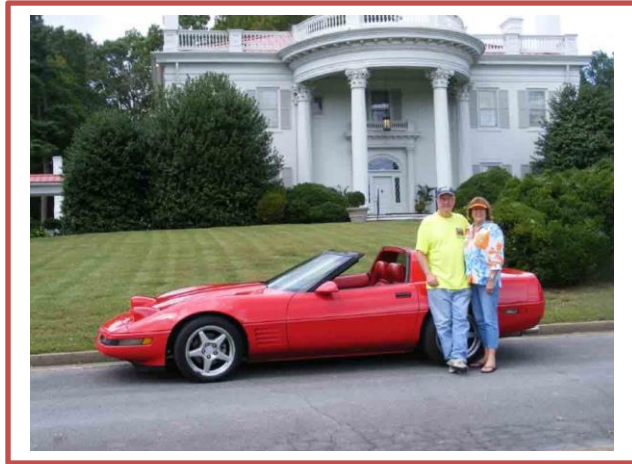

See you at 1:30 on October.18th at Kingsport's Borden Park!
