PRESIDENT Randy Still's MESSAGE

We are going to try something new this year for our January meeting. We will not have a regular meeting in January BUT will have a Board of Directors' Meeting at the time of our regular meeting. It will be on Monday Jan. 20th with the same schedule of eating between 6 and 7 and the Board Meeting at 7:15. All members are encouraged to come offer your ideas as we plan for this year's activities. Bring your ideas of possible activities for our club for this year and possible themes for our 2 car shows.

I hope everyone had an enjoyable Christmas and has 2020 off to a good start. I enjoyed our Christmas Banquet and thank Charlene for her decorations, coffee preparation, and work to make it a special event. Thanks to Wayne Lambert for collecting the dinner fees and region dues for 2020. Thanks to Dave Williams for handling the door prizes and certificates of appreciation. Many thanks to everyone else who participated and made it a fun event for our region.

I saw many members at the auctions of Dave Berry's collections. Lewis Safriet got a bottle of vintage tomato juice from the Henry Ford Farms and some display cabinets. Don & Charlene Wood bought several Ertyl Banks, Region Car Show Dash Plaques, and other items. Don Reynolds bought a Jaguar hood ornament. Mickey Smith got a vintage license tag for his Pontiac GTO and a promotional model of an early 1960's Ford Galaxie, Gary Head bid on the 1935 LaSalle but was outbid by a bidder from out of state. I purchased about 10 automotive mascots, several automotive paintings by Jim Caswell, license tags, much of Dave's automotive library, and lots of toy die cast cars and Japanese and Chinese tin toy cars. Many other members were at the auctions buying items to collect and remind them of Dave and his passion for our hobby.

Region member, Bob Scales, has had hand surgery to attempt to give his right hand greater dexterity. We wish him well with his physical therapy and recovery.

Remember: No Regular Meeting in January BUT Open Board Meeting at Rush Street on Monday, January 20th. Come share your suggestions or contact any Board Member to present them to the Board.

Randy
