**President Randy Still- May 2019**

As I write this greeting to you it is another rainy spring day. I have been finalizing reservations to attend the 2<sup>nd</sup> Annual Greenbrier Concours at the Greenbrier Resort in White Sulphur Springs, WV. The concours is limited to 100 cars for their 1<sup>st</sup> show, last year, it poured rain and cars were displayed in the underground bunker that was built in the 1950's as a secret location for the US Congress to function in the event of a nuclear war or other major chaos. I plan to view the cars, the elegant resort, and the bunker while I am there.

At our April meeting, Howard Osborne, told us about an interesting tour that he is setting up for the Dan'l Boone Region and the local Ford Thunderbird Club. We will meet at the Arby's on West Stone Drive in Kingsport at 10 am on June 8<sup>th</sup>. We will caravan to Lincoln Memorial University and tour the Lincoln Museum there and then drive through the tunnel to The Pinnacle National Park. Drive your choice of an antique car or modern, but come enjoy an outing with fellow club members.

Thanks go to Mike McIntosh for the program on the Southeastern Autorama in Erwin. It is one of the oldest continuous annual car shows in this part of the country.

Our May program will be on the Burn Foundation Concours that featured Cadillacs in 2002.

Our Sonic Cruise Ins will be at the East Stone Drive Sonic this year. They will be on the 4<sup>th</sup> Friday of the months of June, July, August and September.

Come to our next Region meeting at Rush Street Grill on May 20<sup>th</sup> and visit with region members and learn of club activities.

Get those cars out and enjoy them! *Randy*
