Board of Directors	Don Wood (Chairman), Members at Large: Sam Quillen, Gene Archer, Howard Osborne	

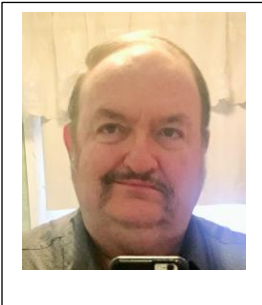

July 2019

VOLUME XXXXI

No.07

President Randy Still

It is hard to believe that we are already in mid-July. It was great having many region members tour my house and garages on July 7th and I was so glad the weather cooperated. It was nice having members of the Thunderbird Club and some from the Davy Crockett Region join us.

This Saturday July 13th will be our Fun Fest Car Show at ETSU at Kingsport's Allandale Campus. AT this point the long- range weather forecast looks good for the show, 90 degrees and sunny. Remember to thank Eddie Williams of Brooks Circle Wrecker Service for being our corporate sponsor since the very first Fun Fest. We look forward to using the new location where we will have more space and aren't as spread out as we were downtown.

If anyone has any energy left after the Fun Fest Car Show, you might want to head to Knoxville on Sunday. The Harper Automotive Group's Cars and Coffee will be held at West Town Mall from 8 am until 11 am.

Our next monthly meeting will be back at Rush Street Grill on Monday, July 15th. Get there around 6, or when you can, to eat. The meeting will follow at about 7:15. We will review the Fun Fest Car Show as well as the usual club business.

Our second Sonic Cruise-In will be Friday July 26th at the Sonic on East Stone Drive next to the Courtesy GM/ Subaru Dealership. This location worked much better than the previous location as the parking lot is level ground and more accessible. The event runs from 6 pm until whenever.

The Annual Club Picnic will be August 19th at Eastman Recreation area at the foot of Bays Mountain.

Bill Hammond has moved to the Asbury Center at Baysmont. Woody Fleenor continues care at the CLC Center on the Veterans Administration Campus at Mountain Home. He is making good progress and is now strong enough that he is up walking and looking forward to a return home.

Don't Forget !

July 13th Fun Fest Car Show

July 15th Regular Monthly Meeting at Rush Street

July 26th Sonic Cruise In at the E. Stone Drive location

Keep them on the road and having fun! Randy

Are you smarter than a fourth grader?

What did Henry Ford get credit for inventing?

What did he actually invent?

Answers on page 5

Thanks Howard for the Memories
