February 2021 President's Message

President Randy Still

As I predicted in our January Newsletter, the AACA National Meet scheduled for April 3rd in Charlotte, has been postponed or cancelled. As with the Bristol Dragway, the Charlotte Motor Speedway will be functioning as a Covid-19 Vaccination site. Though, I love participating in our AACA National Meets, I cannot argue that is more important than getting vaccinations done during a Pandemic. Since they will start vaccinating those 65 and older at the Bristol Dragway, on Feb. 16th, I plan to go up and get in line during the night to, hopefully get vaccinated.

I went from our AACA.org website to look and see what other Regions are doing about their monthly meetings. It seems that most have already cancelled all activities until June. While I am not ready to give up until June, I do want us to be safe. Hopefully, we will be able to have another "bring your own food" socially distanced masked meeting in a park. If I had said that sentence 18 months ago, you all would have thought that I had lost my sanity. Well, let's not dwell on that issue (my sanity) too long. I imagine trying to have a gathering on March 31st at 1:30. Details will follow in our March newsletter.

Kingsport Antique & Rod Club member, Stan Bledsoe, passed on February 3rd. Stan could be seen at area car events with his Red 1955 Ford or his Teal 1955 Ford Station Wagon. Another familiar face from our Allandale Meets, Gary Burke, passed on January 30th. We extend our sympathy to their families and friends in the car hobby.

Get your vaccination as it becomes available and stay safe. I hope to see you in March. Randy
