Ramblings from Randy, May 2021

Our April meeting went well, and we will use the same location for our May meeting on May 16th. Some members have mentioned that they are in the habit of having Sunday lunch with family. So, for our SUNDAY MAY 16TH MEETING COME AT 6 PM and bring your supper and a drink. Join us for our meeting on May 16 under Shelter #3 on the Willow Street side of Borden Park at 6 PM.

Cruise-ins at Sonic near Courtesy GM / Subaru on East Stone will come back soon. We are making one change in our format. Sonic will discount our meals, but they will not be free. We requested this change since we are filling their tables and staying longer than the typical customer. Cruise-ins will resume on June 25th and continue on the 4th Friday of each summer month. Fun Fest Planning is still a work in progress. It looks like our show will be the last Saturday of the celebration on July 24th. The location is under negotiation. Unless Covid numbers get worse, it looks like Fun Fest will happen in an altered form. The car show will be a cruise-in to allow social distancing.

My mother's hospitalization kept me from attending the May 1st benefit car show at Axe Handle Distilling in Pennington Gap, VA. From online photos it looks like it was a fun event. I hope some members were able to participate in the event.

Don and Charlene Wood and I attended the Greenbrier Concours and enjoyed the historic and scenic resort as well as the exceptionally fine cars exhibited.

It is good to have some car events returning after months of inactivity. I look forward to seeing you on May 16. Come at 6:00pm with your food and bring an older vehicle if you can. See you there !

The April Meeting starts here

The April Meeting of the Dan'l Boone Region AACA was Held on April 16, 2021 at Borden Park Shelter #3. Members again brought their own lunch and socially distanced. Randy Still called the meeting to order and led the Pledge of Allegiance. Those present did self-introductions and told where they lived. Lana Sergent was still at NHC in therapy after a major stroke.

Wayne Lambert gave the treasurer's report which indicated our treasury was still in good shape after Covid. We dispensed with reading the minutes. We then moved to the first item of old business - recognizing Dave Williams for his service as vice-president and chairperson of both our region sponsored car shows for several years. He was presented with a canvas print of himself and one of his Mustangs in front of Allandale Mansion.

After giving Dave his gift, we put him to work on the Fun Fest Car Show, Sonic Cruise-In's, and Allandale Show.

Howard Osborne was asked to continue planning on a Fall Tour in Southwest Virginia.

Randy Still then gave a brief program AACA National Meets. He discussed the various classes and categories in which vehicles may be entered. Options for participating in a National Meet as exhibitor, judge, or spectator. He encouraged participation in the July 1-3rd Meet in Auburn, IN, sept. 11th in Greenville, SC; or Oct 7-9 in Hershey, PA.

Randy asked if having the May meeting again in Borden Park was ok. Members seemed ok with that and the meeting was adjourned.

Respectfully submitted by Randy
