PRESIDENT RANDY STILL'S MESSAGE

It was fun to get together with those who could attend at Borden Park last month. It was a good time to get our cars out and to check on each other. We were also blessed with a genuinely nice day for the event. It was nice to have former member, Gerry Burgess, who was in from Missouri join us that day. We were able to enjoy our own food and distance to be as safe as possible with current conditions.

Sam Quillen and Barbara Hughes gave the report from their nominating committee. The slate of officers was seconded and approved by voice vote. After a brief business meeting, we all enjoyed socializing at a distance.

A few members have asked if we are still going to have the Christmas Dinner. I hope to but will make a final decision by December 1st. I will send out a general e-mail to let everyone know. Though our holidays are not going to be normal in any way, I wish all health, safety, and the spirit of the holidays through most unusual times.

Randy
