XLIII

November 2021

RAMBLINGS FROM RANDY -

Our year of activities is winding down. The leaves are turning colors and the air a bit brisker.

It was decided at our last meeting that our November 15th Meeting will be held again at the Food City Community Room at the Crown Point Center near Eastman Road and Fort Henry Drive. Go into Food City and turn right and just past the Starbucks and before the Bakery, take the elevator to the Community Room on the second floor. For November we will have a Taco Bar with drink and dessert for \$ 13.00 per person. Please bring either a check for the amount or exact change to make it easier on our Treasurer.

Howard Irwin will give a program on one of his Packards for our November Meeting.

In our Dan'l Boone Region business meeting, our Nominating Committee will present their slate of officers for 2022 and the floor will be opened for any additional nominations. We will also discuss any new business and share a program.

Our Christmas Party will be on December 13th with a larger Holiday Meal, gathering at 6pm at a cost of - \$22- per person. For this gathering please RSVP by Dec. 10th to Wayne Lambert at 1209 Radcliffe Ave. Kingsport, TN 37664 with the amount listed or the Treasurer will be accepting the amount and the number of attendees at the Nov.15 meeting.

Since the group we worked with is no longer collecting toys, we will not be collecting toys as a group but if you feel so inclined, remember the Marines Toys for Tots and other such groups individually.

I look forward to seeing all that can participate at these events.

Randy Still | President

Notes from Dave

We are wrapping up 2021 having enjoyed hosting three successful cars shows, The 2nd annual Laurels Retirement Center car show (35 registrants), The 40th annual Funfest Car Show (205 registrants) and the 43rd annual Allandale Show (240 registrants). Thanks to all who contributed to their success. With final car show bills received and paid the club made a profit for the year. Wayne Lambert who has managed our finances will provide an update in our November meeting. Many thanks.

I have agreed to coordinate each of these shows for the 2022 season. I project that the Laurels event will be scheduled in the same period perhaps June 18th, the 3rd Saturday in June. We hope to increase advertisement and participation among local Southwest Virginia car clubs which have flourished recently. Trophies and dash plaques will be awarded. As soon as FunFest dates are announced we will schedule our show which will again be held downtown at the train station. We will likely continue it as a cruise in with dash plaques but no trophies. Our 44th annual Allandale Show will take place on Sunday, September 18th. We will continue working closely with the West Ridge High School JROTC and Band boosters. I am hopeful that the scale model club will want to participate in the 2022 show. The club will be looking for a distinctive feature vehicle. Hybrid and electric vehicles through the ages has been recommended for 2022. Corvette has been recommended for 2023 as it celebrates its seventy birthdays. The For Mustang has been recommended for 2024, its 60th Birthday. We will order a Dan'l Boone Car Club banner as our previous one is missing in action unless someone knows its whereabouts.

Our Sonic Cruise Ins will continue in 2022 for the months of June-September likely to be scheduled on the 4th Friday of the month. Thanks again to Ruth Ford for hosting us. This has become a special activity which has enhanced friendships and connections and added to the feeling of a club family.

An upcoming board meeting will discuss plans for our 2022 show season. Please share your ideas for each of these events.

Thanks!

Dave Williams
