April 2022

RAMBLINGS FROM RANDY April 2022

As decided by our Region Board of Directors, Our Tuesday, **April 19th Meeting will be at GIUSEPPE's ITALIAN RESTAURANT, 2539 East Stone Dr., Kingsport, TN** with dinner at 6 pm followed by our meeting at 7:15 Pm. Region Member, **HOWARD IRWIN** will present a program on automotive radios. At Giuseppe's there are 2 meeting rooms. We have to RSVP a head count so they will know which room for us to use. **PLEASE RSVP your attendance to rstillcars@aol.com or call or text 423.335.0675 by noon, April 15th.** Use of meeting rooms is at no charge if we have at least 15 meals ordered. Those dining will have a choice of 5 dinner options. Sandwiches, meatless salads, pizza, soups, or Calzones cannot be ordered as your entrée.

Lasagna with garlic bread and your choice of soup or salad \$ 14

Fettuccine Alfredo with garlic bread and your choice of soup or salad \$ 14

Spaghetti or Penne with your choice of marinara meat sauce, meat balls, Italian sausage, or mushroom sauce \$ 13

Italian Chef Salad with choice of Shrimp \$ 16 or salmon \$20

Pasta Combo (Lasagna, stuffed shells, spaghetti with meat sauce and cheese) served with garlic bread and a choice of soup or salad \$ 15

I would like to thank whoever paid for my meal at our March meeting at Pratt's. When I tried to pay them at the cashier, I was told my bill had already been paid. Thanks! It was a nice surprise.

DON WOOD, GARY HEAD and I will be driving the 1972 Lincoln Continental that Woody Fleenor bought new to the AACA National Meet at the Charlotte AutoFair on April 9th.

In this newsletter is the information for the Axe Handle Distilling Car Show on May 7th. Car Registration is \$ 15. This business is owned by Region Member, **JUDY WILLIAMS. Please participate in this event.** On the following day May 8th, the GREENBRIER CONCOUS will be held in White Sulphur Springs, WV. Admission is free if you make an advance reservation. This is a fine car show on the front lawn of one of America's premier resorts which for many years secretly housed the facilities to accommodate the US House and Senate in the event of a nuclear disaster. If part of your family has little interest in the cars, they will be captivated by the historic building, casino, and bunker tours. It is an easy day trip from the Tri-Cities.

Car activities are starting full force and it is time to start making plans to attend some of these events. **REMEMBER TO RSVP FOR OUR MEETING AT GIUSEPPE'S WITH YOUR MEAL SELECTION.** E-mail rstillcars@aol.com or call or text 423.335.0675. Thanks, Randy

MESSAGE FROM RANDY about fraud e-mails using his e-mail addresses:

I apologize for the many fraud e-mails that several of you have been receiving. PLEASE IGNORE ANY EMAILS SUPPOSEDLY FROM RANDY STILL ASKING FOR MONEY OR FOR YOU TO PURCHASE SOMETHING. If I got in that bad a bind, I would call personally, and expenditures should be handled by our Region Treasurer. These emails are aggravating but there is nothing that I know of that I can do to combat the problem. It is an unfortunate result of my doing major international emails in my work and my e-mail address being posted publicly on our region website, my company website, and lots of e-mail communication. Call me at 423.335.0675 if you have questions about the legitimacy of an e-mail showing sent by me. Randy

I would like to add to Randy's message: This happened to Wayne and me when Don Wood was president, and this is someone who uses the President of the club to try to get money. Frankie Lambert, editor.

MEMBER'S NEWS:

We extend our sympathy to Region Vice-President, Marty Lane, and Debbey, on the passing of his father, Bill Lane. His Dad was Sports Editor for the Kingsport Times News, where he was a major presence for 50 years.

Margaret Bays is recovering from a recent surgery, and we wish her a full and speedy recovery.

Our Newsletter Editor, Frankie Lambert, was recently hospitalized but is now home and doing better.

Randy Still will return to Vanderbilt Medical Center on April 27th for further testing. They will assess whether the cyst on a kidney is stagnant or advancing and monitor the condition of his lymphatic system.

If you or another member has a health challenge, loss of a loved one, or the good news of an award, birth, or other good news please email rstillcars@aol.com so it can be shared with other region members.
